Overview: Large commercial premises very well located in the heart of Arroyo De La Miel, in Benalmádena. Excellent location surrounded by various shops, bars and restaurants as well as apartments and with plenty of parking areas. The premises are divided into two floors, on the first floor we find a diaphanous area of about 135m² with an office and a bathroom. It is currently a hardware store with a large national and international clientele. All the merchandise is not included but it is negotiable if you are interested in continuing with the same business. Currently the second floor is used as a warehouse and has an area of approximately 87 m². Previously it was used as a home, so it can be requested again for use as a home.
