Overview: This plot of land for sale is situated in a good area of Alhaurín el Grande. It has not been used for any form of agriculture during a large number of years and therefore also suitable for bio culture, keeping animals, growing vegetables or fruit. The plot consists of 2 pieces, in the middle is a small road. One plot is 5.178 m<sup>2</sup> and the other plot is 1.846 m<sup>2</sup>. One plot is totally fenced, the other plot is open. There is irrigation water and electricity available. It is possible to also get drinking water, but it will need to be connected to a nearby townhall connection. The plot is easily accessible, partly via a concrete road and partial dirt road. Ideal for people who want to extend their agriculture business.
