Overview: Palo Alto is your very own retreat, blending seamlessly into the lush green countryside, situated between Marbella and Ojén, surrounded by the mountains of the Sierra de las Nieves, but only a 5 minute drive to La Cañada shopping centre and Marbella city center, also catering for your every need, from the Club's superior gym, fitness studio, hammam and jacuzzi to a farmer's market, tennis courts and outdoor and indoor pools and also concierge services. The property is situated in one of the front line blocks, therefore offering unobstructed and panoramic sea views from a large covered and private terrace. The interior is distributed into a large and bright lounge-dinner room with a modern fully equipped open plan kitchen and two spacious bedrooms with their modern en-suite bathrooms. The property also comes with a parking space and storage room. The leading architects VillarroelTorrico are the visionaries behind the state of the art design of the Palo Alto residences.
