Publish date: 16.02.24

Overview: This is a two bedroom property, with a communal pool and views of the sea from the terrace. It is a spacious apartment, which would be a fantastic rental property or a holiday home. The two bedrooms are both a good size, as is the main living area. The terrace is spacious enough for a table and chairs, and has an amazing view of the green area in front, then the sea. Great investment opportunity

Features:

None, Pool, Sea views, None, Parking, None, None
