Overview: Located on the west side of Marbella, this recently refurbished Mediterranean-style townhouse combines Scandinavian design with indoor-outdoor costa del sol living. The entrance opens up onto an entrance hall and from there directly to a spacious kitchen and breakfast area with a large central island and cabinets on both sides, custom cabinetry, an integrated fridge, and a fully fitted freezer. Continuing on is a double height large living space and sunny dining area with access to the terrace. On the ground floor are two double bedrooms that share a bathroom. Both spaces open onto a small private terrace boasting a pleasant al-fresco dining area with views to the pool and the extensive communal gardens. The first floor master suite, complete with built-in wardrobes and a bathroom with shower, can be found upstairs. It leads onto a spacious sunny terrace that offers privacy and a view overlooking the garden area. With its cosy private garden and seating area for al-fresco dining, this home is the perfect place for relaxing and enjoying evenings with family and friends. This townhouse offers low maintenance living without compromising on the fabulous location close to both the beach and supermarkets.
