Overview: In the area of La Heredia, Benahavis, this charming 2-bedroom, 2-bathroom house exudes the essence of traditional Andalusian architecture while offering modern comfort. The property features a private terrace with captivating sea views, creating a tranquil and inviting living space. The house comprises two cozy bedrooms, providing comfortable sleeping accommodations. It also offers two well-appointed bathrooms for convenience and privacy. One of the property's standout features is its private terrace, where you can soak in the Mediterranean climate and look upon the mesmerizing sea views. This terrace is the perfect setting for dining, relaxation, with a perfect outdoor ambiance. La Heredia itself is a delightful village with colorful houses, cobblestone streets, and community amenities like restaurants, shops, and a communal swimming pools. Additionally, the location in Benahavis provides easy access to the natural beauty of the surrounding area and the dining options in town. You are also a short drive away from the vibrant coastal towns of Marbella and Puerto Banus. Whether you seek a permanent residence or a vacation retreat, this property captures the essence of Andalusia and provides a tranquil and beautiful setting to call home.
