Overview: Modern townhouse on the beach located between Costalita and Benamara. This well-maintained house has a spacious and luminous living room with a fireplace, adjacent to a terrace with sea views. The main floor also has a fully equipped kitchen, utility room and guest toilet. The house has three bedrooms, two of which have en-suite bathrooms and fitted wardrobes, and a master bedroom with a private bathroom, dressing room and a spacious terrace offering panoramic sea views. Additional amenities include two parking spaces and a storage room of 18m². Residents can enjoy a communal swimming pool and have direct access to the beach. The home is conveniently located near various dining options, shops and other amenities, which contributes to a comfortable lifestyle.
