Overview: Now you have the opportunity to build your dream home on this exceptional plot of land in the sought-after area of El Padron, just a stone's throw from the vibrant heart of Estepona. This plot offers a unique chance to realize your vision of a perfect home, shaped entirely according to your preferences and needs. The size of the plot allows you to construct a property of approximately 250 square meters, which, as standard, requires a building permit. The location close to Estepona town, the harbor, the popular Laguna Village, and good beaches, means that you're not just buying into a plot, but also a lifestyle characterized by sun, sea, and sand between your toes. Enjoy easy access to the best of Costa del Sol's beaches, fantastic golf courses, and exclusive shopping and dining venues, all within a few minutes' drive. Seize the opportunity and create exactly the home you dream of, where the whole family can enjoy the sweet life under the sun, [in a newly constructed property at one of Spain's most attractive addresses](https://www.bargainandalucia.dk/tvangssalg).
