Overview: Located strategically in the peaceful environment of Alhaurín de la Torre, Málaga, in the Romeral area, this residence offers endless possibilities. With three spacious bedrooms and two recently renovated bathrooms, spread across a generous construction of 90 square meters, this property is perfect for families seeking a home that provides both a good connection to nearby cities (15 minutes to Malaga, 10 minutes to the airport and beaches) and a connection to the surrounding natural beauty and tranquility. Situated on a generous plot of 1,100 square meters, you can enjoy panoramic views from its garden surrounded by nature, relax in its pool, or organize dinners with family and friends in its porch and barbecue area. Additionally, this property offers enough space for future expansions or developments. The plot still has many buildable meters, which could be used for creating a second residence or expanding the existing structure, tailored to the specific needs of the buyer. With a privileged location, ample living space, and considerable growth potential, this property in Alhaurín de la Torre represents a unique opportunity in the real estate market, designed to meet the most demanding requirements of our most distinguished clients.
