Overview: Discover this spectacular 80 m² apartment plus 20 m² of private terrace, completely renovated in 2025 with high-quality materials and a contemporary design that blends functionality and style. Located in the heart of Málaga, this bright home offers a spacious living-dining room with large windows that flood the space with natural light, connected to an open-concept kitchen fully equipped with state-of-the-art appliances—ideal for enjoying time with family or friends. It features two bedrooms with built-in wardrobes that maximize storage space, and two modern-design bathrooms, one of them en suite, with elegant and functional finishes. The property also includes a separate laundry area and an air conditioning system to ensure maximum comfort throughout the year. A unique opportunity to live or invest in one of the most sought-after areas of Málaga, with all services, shops, and public transport just steps away.

Features:

Air conditioning, None, Lift
