Estepona is one of the most popular destinations for both tourists and foreign residents alike on the Costa del Sol, yet even today it still manages to retain it's old Andalusian charm. Estepona 's cobbled narrow streets, fishing port, Spanish cafes and bars, and the quaint shops and bodegas, all combine with the modern Puerto Deportivo (leisure port) and marina, all types of facilities and golden sandy beaches, to make this a comfortable and interesting place to stay. At only five minutes from Puerto Banús and seven minutes from Marbella, this apartment is very close to all types of facilities, such as international schools, beautiful sandy beaches, top restaurants, exclusive local shops and boutiques. The general feeling when you arrive is one of tranquillity and beauty.
