Vue d'ensemble:Great opportunity for investors or starters! Best value for money in Valtocado and the perfect start to build your dream home. The plot measures 2120m2 and offers beautiful valley and mountain views. The plot itself is steep and West facing, but when you would build the house as high as possible on the plot with swimming-pool and balconies facing South you would enjoy sunny terraces all day long, even with partial sea views. A recent architect design and renders are available upon request. Valtocado is centrally located on the Costa del Sol with good nearby road access to Fuengirola on the coast and Málaga and Marbella.
