Vue d'ensemble: Lovely one bedroom garden apartment located in the famous Castillo de San Carlos building, considered the most exclusive development in the center of Torremolinos. As its name indicates, this building stands out as a castle overlooking the well-known Carihuela Beach all the way down to Puerto Marina. It has a privileged location with easy access to the center of Torremolinos and to the beach, all within walking distance. It has immaculate gardens and a pool area which is open all the year-round. The community fee includes hot water supply, on-site maintenance and night-guard. It is mainly residential, making it a quiet and peaceful accommodation. This property has been tastefully renovated throughout by the owner. It has one bedroom, one bathroom and an open plan kitchen-lounge, with direct access to the garden and to the pool. With its 86 m², it is the ideal place to live for a couple. We recommend viewings to this unique property, which combines the luxury and comfort with privileged sea-views, and the quality of life Torremolinos offers. This historical town of the Costa del Sol is lively and fun all-year round, has a very diverse hospitality offer and is only 12 minutes away from Málaga Airport. Underground parking and storage room included in the price
