Vue d'ensemble: House for sale, in the center of Estepona completely renovated, with interior patio. It is located 700 meters from the port of Estepona and 20 minutes from the beaches of La Rada and Playa del Cristo. The house is located in a very quiet place where you can stroll along paths with many pine trees. The house has two floors. On the ground floor we find the entrance porch to the house, to the right of entrance we have a kitchen; very spacious, bright, furnished and equipped, enough space for a table with 4 chairs. Following the hallway on the left we have a toilet and then we find a very spacious living-dining room. To which the Terrace is attached; from the living room we have direct access to the patio with garden where you can enjoy nature. On the second floor, following a distributed hallway, we find two bedrooms with views of the morning sun, both with a shared bathroom in the hallway; then we find the master bedroom with en suite bathroom; this bedroom faces west and has a balcony from which you can admire the impressive Sierra Bermeja and the sea views.
