Vue d'ensemble:Presenting an extraordinary 3-bedroom apartment, a true jewel situated in the highly sought-after Lomas del Marbella, nestled in the heart of the prestigious Golden Mile. This exceptional property has recently undergone a comprehensive renovation, ensuring a pristine and move-in ready experience. Meticulously designed with an unwavering focus on detail and utilizing top-notch materials, this beautiful west-facing apartment on the third floor offers panoramic views of the Mediterranean Sea, Gibraltar, the African coast, and the surrounding mountains. Encompassing a generous 200m2 of interior living space and complemented by a spacious 100m2 terrace, this residence boasts various entertainment and relaxation areas, featuring a delightful outdoor Jacuzzi and multiple seating areas. The interior is equally impressive, with the master bedroom showcasing a capacious walk-in wardrobe and a luxurious ensuite equipped with heated floors. Direct access to the breathtaking outdoor terrace is provided from the master bedroom, while the second bedroom enjoys the convenience of its own ensuite bathroom. The third room exhibits clever use of space and design, along with access to a well-appointed guest toilet, complete with a shower. This impeccable apartment is enriched with additional features, including an independent laundry room, top-of-the-line Gaggenau appliances, a wine fridge, electric shutters, a home audio system, underground parking, and a sizable storage room. For added convenience, residents can take advantage of the community's well-equipped gym, expansive outdoor pool, sauna, and benefit from 24-hour security. An embodiment of luxury and functionality, this residence in Lomas del Marbella offers an unparalleled living

experience.
