Vue d'ensemble: This super 3 bedroom, 2 bathroom, corner, ground floor apartment has a simply enormous terrace and private garden, facing south and west. And the location is superb, just a stone's throw from bars and restaurants, and an easy flat walk to the centre of La Cala and the beach! The gated community has a fantastic large communal garden and swimming pool area and very reasonable running costs. The property is situated within an easy flat walk of La Cala de Mijas and all of the amenities there as well as the beach and public transport. There is a well fitted out kitchen with large separate utility room. A garage and storage are included in the sale. A really exceptional property!
