Located in a well-established urbanization with fabulous communal pools and gardens, this home is just a 10-minute walk from the beach. Built to high-quality specifications, the apartment boasts marble floors, fitted wardrobes, air conditioning, and a sleek, modern aesthetic thanks to the recent upgrades. Upon entering through the main door, the brand-new kitchen is to the left—completely redesigned with modern cabinetry, high-end appliances, and elegant finishes. To the right, you'll find the two double bedrooms, and straight ahead, the spacious living and dining area opens onto the rear terrace. The main bedroom features an ensuite bathroom (now fully updated with modern fixtures and stylish tiling) and has glass balcony doors leading out to the terrace, creating a bright and airy feel. The guest bedroom enjoys lovely mountain views and easy access to the second newly refurbished bathroom. One of the standout features of this apartment is its versatile access—while there are stairs leading to the front entrance, you can enter through the back via the private carport, allowing for easy, step-free access. The rear terrace offers a fantastic space for al fresco dining, overlooking the lush greenery with partial views of the Casares mountains. The private carport is a convenient extra, perfect for unloading shopping or luggage with ease.
