Описание: Large house located in La Línea de la Concepción. Located in the center, just a few steps from the beach and less than 1 km from the Rock of Gibraltar. It consists of 2 floors with the possibility of building one more. The first floor houses a kitchen, 2 bathrooms, living room and 2 very bright bedrooms plus a garage. On the first floor, which is accessed externally through stairs, we find another house composed of a kitchen, bathroom, 2 bedrooms and 2 more rooms that can be used as bedrooms or storage rooms. It also has a spacious patio of about 100m². It is a very well located home that needs to be renovated but offers ample possibilities due to its size and buildability.
